

WHY YOUR NEXT EVENT SHOULD BE

# *A Queen of Stitching Event*

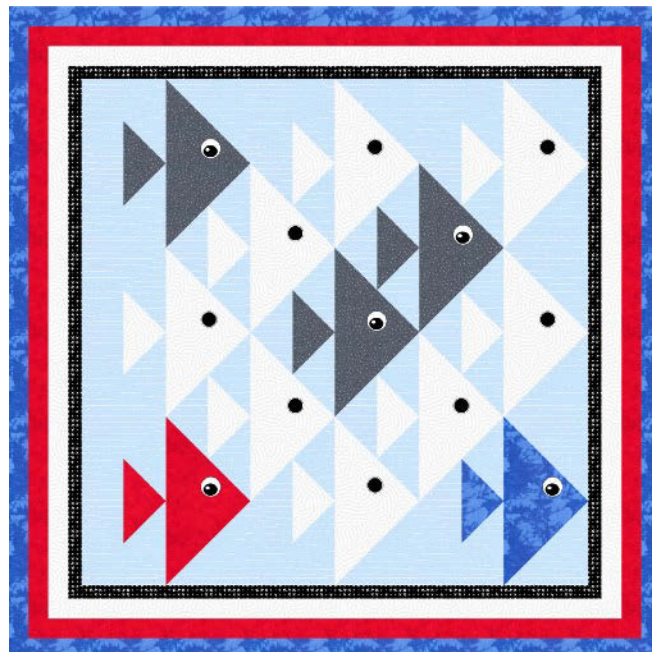

...IT'S FUN • IT'S PROFITABLE • IT'S NEW

## ... & You And Your Customers Will Love It!

Most importantly, we provide a new and different twist for event platforms. Bring "Short Cut Quilt Blocks", into your store so your customers can discover our new library and ingenious approach to quilting. Its spectacular in its abilities to save time and simplify quilt making. Red Fish, Blue Fish, shown to the right, was made totally in the hoop and requires ONLY 4 MASTER BLOCKS.

Imagine what your customers could do with a magic USB Stick containing everything needed to make thousands of quilts. Quilts blocks can be every size desired ...including medallions! The best part is quilt blocks are made in a fraction of the time required for traditional methods.

No more drafting or fretting over difficult quilt blocks because everything has been simplified. For the first time ever complex sectioned quilt blocks can be made without cutting, stitching or trimming a single triangle.

*Red Fish, Blue Fish*

## *"Queen of Stitching Events Allow Embroiderers & Quilters to Have It All!"*

Queen of Stitching is the industry leader for quilting in the hoop. We are the only provider offering enclosed seams on curves. That means NO APPLIQUE or embroidery covering seams on circular designs like Drunkard's Path, Double Wedding Stars and Double Wedding Rings.

### **In addition To Our New Library This 2 Day Fun Filled Event Event Includes:**

- ▶ A pop up store with nearly 100 Projects & Quilt Blocks that are totally pieced & joined in the hoop
- ▶ A Trunk Show
- ▶ Learning to use the Short Cut Quilt Blocks library and a Make and Take Seasonal Wall Hanging.
- ▶ Marketing Materials
- ▶ All materials and notions required for the project.
- ▶ Prizes, Give Aways & Product Offers only available to event attendees
- ▶ Swag Bag filled with goodies valued over \$375.00 in Sewing, Quilting and Embroidery items
- ▶ Learning to use our method for joining Quilt as You Go Blocks with single continuous batting and backing strips.
- ▶ This one row at a time process eliminates the need to close the backing between blocks. No cover strips, zig zag or embroideries are required to hide the joins.
