Description

Card Trick

For 7", 8", 9" & 10" Hoops

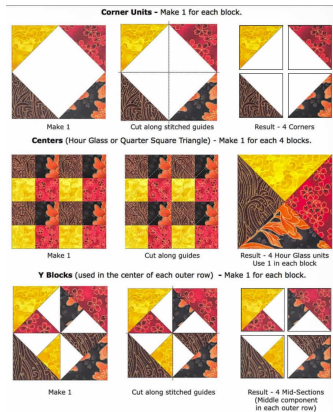

Blocks finish at 9³/₄"

Finished Quilt Size as Shown: 43" X 43"

Card Trick introduces new processes to simplify and speed up quilt making. The benefit of these processes is they eliminate the need to cut or stitch any triangles.

Pre-cut rectangles are stitched into simple shapes which are designed to be cut apart. Once cut, you have all the triangles necessary to make the block as triangles are the natural outcome of the cut shapes.
