### Description

WonderFil Thread, the maker of Invisafil thread is known worldwide for its commitment to superior quality and customer service.

Invisafil 100w 2 ply soft polyester thread can be ironed. Invisafil Thread's matte finish disappears into fabric and is non-abrasive. Invisafil thread is perfect for stitching in the ditch, and eliminates problems inherited to nylon invisible thread.

We use Invisafil Thread for all of our Stitch In The Ditch Closures when we are joining quilt blocks and rows.

WonderFil Invisafil pre-packs are sets of 6 colors. Each spool has 400m of thread.

Invisafil Threads arranged by color.

- |           |  |   |
|-----------|--|---|
